

My parents house located at 3 Tanunda Close, Holmesville. Existing shed (Fibro, wood structure and corrugate roof) is too small to fit the Toyota Prado. Prado height is 2m. Seeking a quotation for replacement. The carport height from the bottom of the beams is 2.7m

Include in quote

- Demolition and removal (if possible)
- PA Door
- Window: 790 x 1731
- Insulation
- Whirlybird
